MOBIUS Collection Management Advisory Committee Update.

The Collection Management Advisory Committee will next meet on Tuesday, 24 July. Lynn Cline will rotate off from two-year term as co-chair, Stephanie Tolson will begin a second year as co-chair, and Angela Gerling will begin her first year as co-chair.

MCMAC, with the much appreciated assistance of Janine Gordon and Adrienne Detwiler, has placed on the MCO site the *2006 YBP Customer Satisfaction Survey.* The survey is being conducted as a part of the Committee's assessment of the first year of the Statewide Cooperative Book Purchasing Plan with Yankee Book Peddler (YBP). A notice regarding the survey was placed on mobius-users-l and mobius-l. The survey closes on 15 June, and we will be reminding attendees of the survey during MCMAC related sessions at the MOBIUS Conference.

Three MCMAC related sessions will occur at the conference – a presentation of the OCLC Collection Analysis Report by Liz McDonald and Anne Barker with Deb Ehrstein; a panel session at the MOBIUS Conference on the first-year experience; and a vendor presentation by YBP. In addition a post session is scheduled on the use of YBP's GOBI database.

The 24 July meeting agenda will include the Committee will review the book purchasing plan survey and continue discussion of results form the OCLC Collection Analysis Project.
