MOBIUS Collection Development Task Force Charge

The MOBIUS Collection Development Task Force is responsible for exploring cooperative collection development by MOBIUS member institutions. The Task Force will operate in two phases. During Phase I (over six-months with a report to the Executive Committee in February 2003), the Task Force will be charged with investigating the management issues associated with cooperative collection development among 50+ institutions. During Phase II (over six-months with a report to the Executive Committee in August 2003), the Task Force will be charged with developing a cooperative collection development implementation plan for MOBIUS.
