MIUG Discussion List

The purpose of the MOBIUS Innovative User's Group (MIUG) Discussion List is to bring together MOBIUS member institutions to discuss critical issues concerning Innovative Interfaces Inc products and services, policies and practices as discussed by national IUG members, and to share resources and experiences MOBIUS member institutions have developed in working with Innovative products. MOBIUS member institutions are encouraged to become members of the national IUG in order to have an influence on the national IUG enhancements ballot process.

The purpose of the national IUG as stated on their website is as follows:

- serve as a forum to influence the development and improvement of Innovative Interfaces, Inc. (hereafter III) products for the benefit of IUG members;
- foster and improve relationships and communication among members, and between members and III; and
- gather and disseminate information on the use of III products among the users of the systems.
