MTRAIN Discussion List

The purpose of the MOBIUS Training (MTRAIN) Discussion List is to bring together MOBIUS member institution employees to discuss issues concerning training, workshops, and speaker opportunities that will enhance and promote best practices for the products and services provided to MOBIUS member institutions. This list will also be used to discuss professional development opportunities that are of interest to MOBIUS member institutions.

Moderator: Mark Wahrenbrock, MOBIUS Assistant Director for User Services

Membership: Open to all employees of MOBIUS member institutions
