Report to MOBIUS Executive Committee

The MOBIUS Access Advisory Committee met July 16, 2008. A report on that meeting has already been filed with the Executive Committee. MAAC's next regularly scheduled meeting is November 18, 2008. However, since the July 16 meeting MAAC has made the following decisions via email. Scott Peterson has implemented these, also.

1. MOBIUS website has been updated with new damaged books procedure and the new wording for the problem report form.

2. MAAC changed to 10 minutes the timeout for "no reauthorization." If someone logs in to request a book, the timeout is how long their authorization stays valid with no activity before they have to log in again.

3. The Circulation and ILL contact list on the MCO website has been updated.

Respectfully submitted,

Sharon Upchurch, MAAC chair
