MCMAC Update for the MOBIUS Council Meeting
June 3, 2008

The MOBIUS Collection Management Advisory Committee met on May 25, 2008 via Adobe Connect. Information relating to the YBP quarterly report and the YBP contract/renewals were reviewed and discussed. The following activity was reported in the quarterly report:

- MOBIUS members saved $28,923 as a result of utilizing the higher discount negotiated between YBP and MOBIUS.
- There are now 34 MOBIUS members who are doing business with YBP.
- Key services:
  - Number of new plans (10 notification slip plans, 1 approval book/notification slip plan) established: 11
  - Number of libraries using Export service: 8
  - Number of libraries using PromptCat services through YBP: 4
  - Number of libraries using shelf-ready services: 2

MCMAC finalized the language of the 2008 YBP Customer Satisfaction Survey and made it available via the MCO website from May 15, 2008 through June 13, 2008. A question in the survey asks whether or not MOBUIS should renew the YBP contract for an optional year. The committee will review data from the survey at its July 29th meeting.
