4. **Circ Option 32 and R>Requests** – As a follow-up to the last MOBIUS Council meeting, members discussed the need for circ option 32 that maintains the record number of the last patron who checked out an item. Members will take this issue back to each institution and discuss from both the process and intellectual freedom perspectives. A decision regarding this option will take place at the May 24 meeting. The R>Request report was discussed with general consensus that the patron name was inappropriate in this report. Linda will write George Rickerson to see if the MOBIUS Office has taken any action.
5. **MOBIUS INN-Reach Enhancement Requests** – The members ranked the requests that will be carried forward by Fran and Carol.
