1. Meeting commenced at 9:00.
2. MCO requested an image mockup of any changes Arthur would like to make to the new catalog example set, but can accept a written description.
3. Due to the nature of the decisions to be made (possible changes in logo, color and layout of the catalog), the Arthur Public Services Committee will review the new example set and submit recommendations to the Arthur Directors Committee.
4. Concern was expressed that the recommendations to the Arthur Directors Committee may not be ready by the January 14 date suggested by the Directors chair. Concern was also expressed regarding the timeframe of the implementation. Going live with the new catalog interface during the semester may not be desirable.
5. There was some discussion of a new Arthur logo. Justin suggested that it might be worthwhile to consider contracting for the new logo, and that MOBIUS may consider arranging for other MOBIUS logos to be updated as well. Justin outlined some reasons why a new logo might be desirable:
  - a. the old logo cannot be resized or repurposed very well
  - b. a new logo could be fashioned in both horizontal and vertical orientations, to allow for more flexibility
  - c. the source files for the old logos seem to have disappeared, making it difficult to modify them or render them in more useful formats
6. Meeting was adjourned at 9:30.
