

Arthur Public Service Meeting
January 4, 2007

The Arthur Public Service Committee met January 4, 2007 from 2:00 PM until 4:00 PM in Lincoln University's Inman E. Page Library. Cindy Bassett, Tena Edwards, Nina Stawski and Lois Marshall were present.

The Visiting Patron policy was discussed. Some cluster members' contact information such as name, phone number and email addresses was provided or updated.

After positive and negative aspects of BriefCit were discussed, it was decided that the committee should send a recommendation to the directors to implement it.

Cindy Bassett announced that Ms. Susan Nutter (from North Carolina/Endeca) will be the keynote speaker for the MOBIUS Users Conference this year on the evening before the main sessions begin.

The creation of tutorials for the Arthur cluster was considered. Tutorials for topic search, specific item search, book renewal, requesting books, advanced searching and accessing your account were those specifically mentioned. Cindy Bassett said she would email an Infotrac tutorial (produced using Camtasia) for us to see. She also said PubMed has good tutorials we might like to look at.

The Arthur Committee agreed to meet on March 2, 2007 from 9:00 am until 4:00 pm at the Missouri State Library to work on tutorial creation.

The status of WebBridge is uncertain at this time. Cindy said she would investigate this matter further.

The date for the next Arthur Committee meeting was set for April 12, 2007. It will meet at the Missouri State Library.

Meeting adjourned at 3:55 pm.

Respectfully submitted,
