July 29, 2009, 9:30 a.m.

MCC-Penn Valley Library

Present: Catherine Eilers (Saint Paul), Ted Ostaszewski (MCC), Martha Grimes (Rockhurst), Cheryl Couch-Thomas (William Jewell), Susan Beyer (Midwestern Baptist), Dennis Goodyear (Avila).

Absent: Jenni McSpadden (KCAI)

Guest: Rebecca Hamlett (student assistant at WJC)

The minutes for the previous meeting of March 20, 2009 were approved.

Catherine reported on the MCDAC meeting of July 24, 2009 that was held online. Ted Ostaszewski also participated as the WILo alternate member:

- Corrie Hutchinson was elected the new MCDAC chair to replace Stephen Wynn beginning with the next meeting.
- Update on Local URL product: still waiting for pricing information.
- Update on Authority Control Reprofileing Subcommittee: has not yet met; Stephen Wynn is trying to get approval for the group to be a task force.
- Update on Redesign Task Force: has not yet met.
- Update on Policies and Procedures: a task force was created to review them (Denise Pakala, Corrie Hutchinson, and Michaela Hooper). Note: the WILo P&P are on the website.
- Suppression of "Request This Item" link: discussion of best route to follow to request the enhancement.
- Next meetings were scheduled for October 16th, January 29th, April 9th, and July 9th.

Old Business:

- Problem with Headings Reports continues regarding blind headings and children's headings. Problem tickets have been submitted but no response yet; Catherine will contact Christopher Gould directly.
- WILo online catalog redesign nearly finished and has gone live—but may be altered by MOBIUS committee in future.

New Business:

- When submitting Help Desk tickets, the only current choice for WILO as a group is WILO Coordinators. Suggestion was made to request adding WILO Catalogers as a group; motion was made and approved, and Catherine will submit the request.
- Martha discussed Rockhurst's decision to begin using Better World Books as a way to dispose constructively of discards and unwanted gift books. Dennis will send information to WILO catalogers list about both BWB and another option, Book Drive KC.

The next meeting was set for Wednesday, October 21, 2009, at 9:30 a.m., at MCC-Penn Valley Library.

Respectfully submitted,
Dennis Goodyear
