

WILO Cataloging Committee

MINUTES

27 July 2007.

Attendees: Denis Goodyear (Avila), Susan Beyer (MBTS), Ted Ostaszewski (MCC), Martha Grimes (Rockhurst) Carolyn Smith (Rockhurst), Logan Wright (SPST), Cheryl Couch-Thomas (WJC). Sally Clausen (KCAI) was unable to attend due to staffing shortage.

- 1) Minutes from March 2007 meeting were distributed during meeting.
 - 2) MOBIUS Update / MCDAC report: New Committee Chair, Denis Goodyear updated the committee on the following:
 - a.) Two “course” descriptions for practicum students for the users’ services and help desk units update web site
 - b.) MOBIUS/MCO websites are being redesigned by Abby Rimel, working on the new server; estimated completion: March 2008.
 - c.) The New MOBIUS Training Catalog provides descriptions of workshops currently offered or in development and introduces a certificate program. The workshops are listed by track and within each track they are further divided by levels - basic, intermediate or advanced.
 - d.) An RFP has been sent out to three different vendors for authority control work.
 - e.) The online training software CENTRA will soon be replaced with something cheaper.
 - f.) More black bags in system (yippee!)
 - g.) End Note**
 - h.) Updated print functionality**
 - i.) MOBIUS server is to be switched to WEBPAC-PRO
 - 3) Serials Solutions:

Susan Beyer discussed bibliographic records for electronic resources.
 - 4) New items submitted for discussion
 - a) Logan Wright demonstrated how to use Keyword indexing for publisher field
 - b) Logan also demonstrated how to obtain search results for numbered series titles when sorted by series number rather than series title.
 - 5) Other issues:

Susan Beyer led a discussion about language codes in the 008 field tags. These codes are incorrect; most of the records are “On The Fly” records. Susan has two files in CREATE LIST, #260 “Cluster (items without 008 tag) and #265 “Cluster –Bit items with agency=WILO”
- LC Personal Name Authority Death (Closed) Dates – Denis will distribute new assignments.
- 6) Next WILO Cataloging Committee meeting:

30 November at Penn Valley at 9:30am.
