I.   Agenda Setting

II.   Minutes from January 18, 2006 meeting

Minutes from the January 18, 2006, meeting at Saint Paul School of Theology were approved as submitted.

III.   Reports from MOBIUS/WILO meetings
(see http://mco.mobius.missouri.edu/home/governance/)

MCAG –March 7, 2006 (MOBIUS Coordinators Advisory Group)-MJ Poehler reporting

- A survey is in development to elicit information from the site coordinators concerning the type of software that is being used in libraries to help serve patrons. The survey tool has not yet been selected. This information would be posted on the MCO website and help in sharing library solutions information among the consortium members.
- Discussion about how to use INN Reach in sharing other materials besides monographs, i.e., journal articles. A demonstration of the new III modules that would allow this is set for the May IUG meeting. Concerns about this process include making sure there would be no more additional expense for those using OCLC ILL and no duplication of workflow.
- Discussion about promotion of the use of the MOBIUS Users List to library staff to aid in the discussion of issues of concern.
- Next meeting is August 8

MERAC –January 25, 2006 (MOBIUS Electronic Resources Advisory Committee)
(see minutes http://mco.mobius.missouri.edu/filemanager/fileview/2710/)

Laurie Hathman reporting

After extensive work the renewal of the ABC CLIO databases was finalized using a pricing model agreed upon by the site Electronic Resource representatives. New databases for the Database Cafeteria plan for the upcoming year that were bid are Opposing Viewpoints and PsycARTICLES.

MAAC-February 7, 2006 (MOBIUS Access Advisory Committee)
(see minutes http://mco.mobius.missouri.edu/filemanager/fileview/2709/)

MOBIUS Task Force on Governance and Growth Management—January 26, 2006
Craig Kubic reporting

The Task Force on Governance is looking into 16 other institutions that are qualified to be members of MOBIUS. In our area that would include Calvary Bible College, Kansas City University of Medicine and Biosciences and Park University. Also, Mid-Continent Public Library is interested. Since they run SIRSI there is a possibility of using a server that converts SIRSI data to Millennium to allow direct borrowing, but it is synchronous.

MCMAC— (MOBIUS Collection Management Advisory Committee)
Craig Kubic reporting

RFP for a vendor of choice. Blackwell received 32 %, Yankee Peddlar 33% and Couts 28%. This has to go through the MU bidding office when the committee is ready to make its final recommendation.

MCDAC—March 10, 2006 (MOBIUS Catalog Design Advisory Committee)
See minutes http://mco.mobius.missouri.edu/filemanager/fileview/2742/
reported by Susan Beyer

Enhancement requests:
- 007 field enhancement for formats
- 956 field needs to be activated
- Labeling of review files within pull down menus of Global Update, Rapid Update and Create Lists
- Removal of request button on pages with no requestable items
- Allow check in record display in MOBIUS to link back to local catalog
- Holding displays that sort by volume number/date, within individual library per cluster

MOBIUS Council—January 27, 2006

No report—see minutes http://mco.mobius.missouri.edu/filemanager/fileview/2756/

WILO Access
Elise Fisher, chair, is having minutes compiled for inclusion on the MOBIUS website.

WILO Catalogers
Susan Beyer is compiling the minutes for inclusion on the MOBIUS website.

IV. Ongoing Business

WILO Scat Table Update
Milennium manual pages 101831 & 101637 have instructions for how to edit the table.
Dewey libraries can also update their table. The libraries should try to assign category
numbers that match between LC and Dewey. Logan, MJ and Laurie will meet in a
couple of weeks to discuss finishing the LC Scat entries.

WILO web pages on MCO site
Reporting members will upload meeting minutes and other related documents to the
WILO portion of the MCO website.

V. New Business

WILO Tune Up Option
Logan will contact Christopher Gould to ask that the Tune Up be implemented for
WILO.

VI. News and Information

VII. Next Meeting

July 19, 2006, 9 a.m. William Jewell College
Members should bring their calendars to the next meeting in order to set up the
meeting dates for the next year.
