

We will be using Adobe Connect for our meeting on Friday. Jim is working on documentation, and isn't sure when the invitations will go out: they may go out as late as Friday morning.

Our November virtual meeting was at 1:30 in order to accommodate Beth Fisher's schedule; previous virtual meetings had been at 2:00. Unless there are objections we can plan for 2:00-4:00.

Here is the agenda I have so far. Jim sent an email to the list last Friday with updates of nos. 1-5, so we can probably get through these pretty fast. If there is a time-consuming issue I expect it will be our discussion of Agency.
