Catalog Re-Design subcommittee

Report and request of discussion of these items:

"Search and Sort"—request a change in the order

*On initial MOBIUS page, request change of wording on the Numbers search
(move "etc." to the end of the phrase)*

*On the "Advanced keyword search" screen, use the title "Enhanced
Keyword Searching"*

*Take the word "Innopac" out of all MOBIUS pages and replace it with
"MOBIUS Union Catalog"*

*Implement the option with "Highlights" each occurrence of the search term
in the TOC field*

*Both "Keyword" and "Keywords" are used in MOBIUS pages. Standardize
with one or the other (subcommittee prefers "Keyword.")*

Change "Non-Requestable" to be all caps.

Add ability limit search to available items
