- [Wiley InterScience Order Form EXPIRES December 31, 2005](#)
- [Wiley InterScience Title List EXPIRES December 31, 2005](#)

We have not had much contact with vendors recently regarding new offers. Maney Online Research renewed their offer for one more year, with an extended list of journals and deeper discounts. CSA offered their Social Sciences Package, but we could not get a deadline that extended into 2006. The Faulkner packages were added and the offer will extend throughout this year.

Emerald, Blackwell, and Thomson Scientific have all recently expressed interest in the Vendor Direct Program, and have been sent templates.
