Table of Contents

MQCC asked about excluding records with 970 and 999 fields from TOC files

MCDRSC concurred

Provided a handout of user stats for Arts and Humanities Index PPS from First Search:

Q1 total 349 We will continue to monitor quarterly to see if allocated money should be reduced

II. 2007 WebPac improvements – Chris Dames

Lynne Edgar completed back-end work for My Lists – C. Dames will double check on that

C. Dames will submit requests to implement:

- My Lists
- Renewal Failure Warning
- Nearby Books on Shelf
  - Language revised to More Like This
- Reading History
- Disable hot links of call #'s

III. Donor/Honoree Index - Maggie Trish

Group agreed to creating a Donor/Honoree index apart from the author index

IV. ISSN Index – MU

- Link resolvers have trouble finding
- Add ISSN and ISBN to 776's
- Test in series entries

- Test in link resolvers

V. Limits – Chris Dames

MCDRSC recommended these limits to MQCC

- Electronic only
- Not electronic
- Both

VI. UMKC ERM – Melissa Muth

Merlin “keyword” drop down menu will have at the bottom of the list

- UMKC Database Subject
- UMKC Database Name

VII. One time purchases – Terry Austin

Current recommendations for one-time purchases are:

Royal Chemical Society Archives

LWW High Impact Legacy Archive

Education Index Retrospective

Periodical Archive Online (ProQuest)

Mergent Archive

Grove’s Music and Art (note: these were later determined to be subscriptions only)

Hunter requested that the start date of coverage for Science Direct be returned to their original date. (note: I have discussed with Elsevier and they are working on this).

Votes were due -11/14 following the meeting for purchases up to \$200,000

VIII. Cut List – Terry Austin

Group decided to cut Faculty of Biology effective January, 2009 and to cut 23 users from OVID Online in April 2009 regardless of whether funding cut or not.

If funding cut, group proposed that the following databases be cut in order:

1. Environmental science and pollution
2. LN SRI
3. Nature Clinical Practice Journals
4. Poole's Plus
5. Inspec
6. Company of Biologists
