

SWAN Cataloger's Meeting  
Tuesday, February 12, 2002

Attending: Michelle Turvey (SMSU), Gwen Gilpin (OTC), Marilyn McCroskey (SMSU), Patti Beard (MSSC), Wendy McGrane (MSSC), Linda Henderson (MSSC), Becky Kiel (Cottey College), Susan Huston (MSSC), Barbara Schade (Crowder), Phyllis Holzenberg (Drury), Jean Keple (Crowder), Colleen Rose (SBU), Penny Richardson (MSSC), Drew Beisswenger (SMSU), Rose Scarlet (SMSU-WP).

- It was suggested the old GMDS (general material designations) of [computer file] and [interactive media] be changed to [electronic resource]. Committee voted to do a global change in Millennium Cataloging—Michelle volunteered to make the change.
- Reviewed Linda's list of periodic housekeeping/maintenance tasks. Committee will read through the handouts she provided and will discuss again.
- Wendy discussed the posting of SWAN documents to the MOBIUS Web site. The Coordinators decided to handle the requests to post and change all documents. If you need something changed or added, send the file to your coordinator.
- Wendy wanted to clean up the list of templates and asked that we review the list and let her know if there are templates we are not using. She will delete the unused templates.
- Linda discussed Caldecott/Newbery books. Committee decided we should all change 490 fields to 586/830 fields for consistency.
- MCDAC update:  
Cottey College and Evangel University have expressed interest in joining SWAN

MCO website has been updated; need ID and Password for access

3<sup>rd</sup> MOBIUS Users conference scheduled for June 6<sup>th</sup> at the Ramada in Jefferson City

856 display issues are still unresolved in union catalog

Possible online error report form for MOBIUS catalog in works

IUG conference hotel is beginning to fill up

- Author/Title searching in SWAN: Wendy will check to see if it is a possibility. We will then discuss whether we want to implement it.

- There is an open call to the MCO help desk on WLN significant change reports. Robin's email on the topic indicated 7XX fields could be the culprit. A number of authority records do not appear to contain any changes beyond obsolete indicators. Michelle will keep group posted on the status.
- 781 fields are now displaying in authority records. It shows the pattern for use of geographic subdivisions.
- Phyllis is almost finished with the 229 project. (Congratulations Phyllis!)
- Discussed when to update "library has" statements... consensus was to update as new issues were added.

Meeting adjourned. Next meeting scheduled for April 16<sup>th</sup> at 1:00 p.m., Drury University
