

July 26 meeting info (I apologize in advance if I refer to things inaccurately!...this is what I have in my notes)—I believe Lucia took minutes, but I haven't seen them yet

Table in Record

Decided on "Search for title in other Mobius libraries" and "Select subject to find more items"

Bib Resource Panel

Discussed changing "Library Near You" to "Mid Missouri area Library", but went back and forth on it, as not all students are in Mid Missouri, and they might not realize that they could change the zip code once they got the Worldcat info. I think we may have been leaning toward "Library Near You"

Decided on this order of additional information:

1. Journal Articles—institution specific
2. Book Information
  - a. Search Mobius, subject search
  - b. Search Mid MO area libraries
  - c. Amazon.com
3. Encyclopedias
  - a. Columbia Encyclopedia
4. Subject Directories
  - a. LII
  - b. Yahoo
5. Search Engines
  - a. Google
  - b. Vivisimo
6. Need More Help
  - a. Each library contact info
  - b. Arthur logo somewhere near bottom

Layout Format—decided to format the same as Western NC. We all felt it was very readable and understandable.

Discussed how individual libraries would be able to customize their own pages, so we may need to look into requesting some Webbridge training for that.
