

Arthur Coordinators Meeting Notes

June 16, 2009

Attendees: Nason Throgmorton, Corrine Caputo, Corrie Hutchinson, Inas El-Sayed, Tom Leimkuehler, Tom Schultz, Susan Morrisroe, Angela Gerling

1. Edition information does not display in the Arthur catalog. Send a note to the Public Services Committee to address the problem.
2. Webbridge: we decided to keep the related resources button link on the brief_cit search results page and the individual item pages. The EBSCOhost resources need to be made inactive. Write a report for Susan ... about what has been done with the product.
3. Document cleanup on the Arthur section of the MOBIUS website has been done.
4. We were going to modify the MOBIUS document templates to be used as Arthur document templates.
5. Ask for the helpdesk to put links to the Arthur committees on the Arthur page of the MCO website.
6. Put dates for four scheduled coordinator meetings on the MCO calendar:
Sep 11, Dec 4, Mar 12, Jun 11
7. Stephens College is the only member not sending courtesy notices.
